## LEARN THE UNDERWEAR RULE

**TALK PANTS AND YOU'VE GOT IT COVERED!**

**P**RIVATES ARE PRIVATE

Parts of your body covered by underwear are private. No one should ask to see, or touch them. Sometimes doctors, nurses or family members might have to. But they should always explain why, and ask if it's OK first. No one should ask you to touch or look at parts of your body that are covered by underwear.

**A**LWAYS REMEMBER YOUR BODY BELONGS TO YOU

It's your body, not one else's. No one should make you do things that make you feel embarrassed or uncomfortable. If anyone tries, tell an adult you trust.

**N**O MEANS NO

You have the right to say 'no' – even to a family member or someone you love. Remember, you're in control of your body and your feelings are important.

**S**PEAK UP, SOMEONE CAN HELP

Talk about stuff that makes you worried or upset. An adult you trust will listen, and be able to help. It doesn't have to be a family member. It can be a teacher or a friend's parent – or even ChildLine.

**T**ALK ABOUT SECRETS THAT UPSET YOU

Secrets shouldn't make you feel upset or worried. If they do, tell an adult you trust. You will never get into trouble for sharing a secret that upsets you.
