Our school has a safeguarding policy for staff, families and governors. This child friendly policy is designed for you.

We created this policy to help you decide what could be a 'problem' and where to get help and support. There may be times when you want to talk to someone in school about a problem that might be upsetting you. We have people in school who are specially trained to help you, it is important that you know where to get help if you are worried or unhappy about something:-

What does Safeguarding mean?

that all staff will:-

- Protect you from harm
- Make sure nothing stops you from being happy
- Make sure you are safely looked after
- Make sure you have the best life chances
